Electric Cooperative Youth Tour

For over 50 years, electric cooperatives have sponsored high school students from across America on a visit to the nation’s capital during the Electric Cooperative Youth Tour.

A joint effort of local electric co-ops such as ECI REC, the Iowa Association of Electric Cooperatives (IAEC), and the National Rural Electric Cooperative Association (NRECA), the Youth Tour sends around 30 Iowa students on this experience annually. Iowa students join around 1,500 others from around the country for a week of visiting historical sites, meeting congressional leaders, and learning about American history and government.

ECI REC selects two students to sponsor on this Youth Tour experience each year. Iowa juniors interested in attending Youth Tour who are not chosen by their cooperatives have another opportunity to earn the trip through the IAEC *Living With Energy in Iowa* magazine’s essay contest; one winner is chosen for the expenses-paid experience each year. For more information and applications, see our Youth Tour brochure, or visit ecirec.coop and click on Youth Tour in the Community & Youth section.

TABLE OF CONTENTS

2018 Winners

Sarah Collison, East Buchanan High School.....	3
Brock Ortner, Vinton-Shellsburg High School.....	3
