

Choose a participating chiropractor and save

When you visit a chiropractor who participates in the UHS Chiropractic® Network, you receive a free initial consultation, a 50% discount on diagnostic services and x-rays, and a 30% discount on treatments and other services. Plus, the UHS Chiropractic® Network is nationwide so you can find a provider near your home or work, when you're on vacation, or away at college.

Refer your chiropractor

If your chiropractor doesn't participate, please help us refer your doctor to our UHS Chiropractic® Network. That way, you can continue to see the doctor you know and trust while receiving the best value. Simply add your name to the card below, give it to your chiropractor at your next visit, and ask him/her to return it to New Benefits.
