

Choose a participating dentist and save

When you visit a dentist who participates in the HumanaDental Access Network, you can save 20 to 40 percent on average retail charges. Plus, the HumanaDental Access Network is nationwide so you can find a participating dentist near your home or work, when you're on vacation, or away at college.

Refer your dentist

If your dentist doesn't participate, please help us get your dentist in our HumanaDental Access Network. That way, you can continue to see the dentist you know and trust while receiving the best value from your discount plan. Simply add your name to the card below, give it to your dentist at your next visit, and ask him/her to return it to Humana Specialty Benefits.
