

REMINDER: Heat Plus Rate Offers Winter Savings

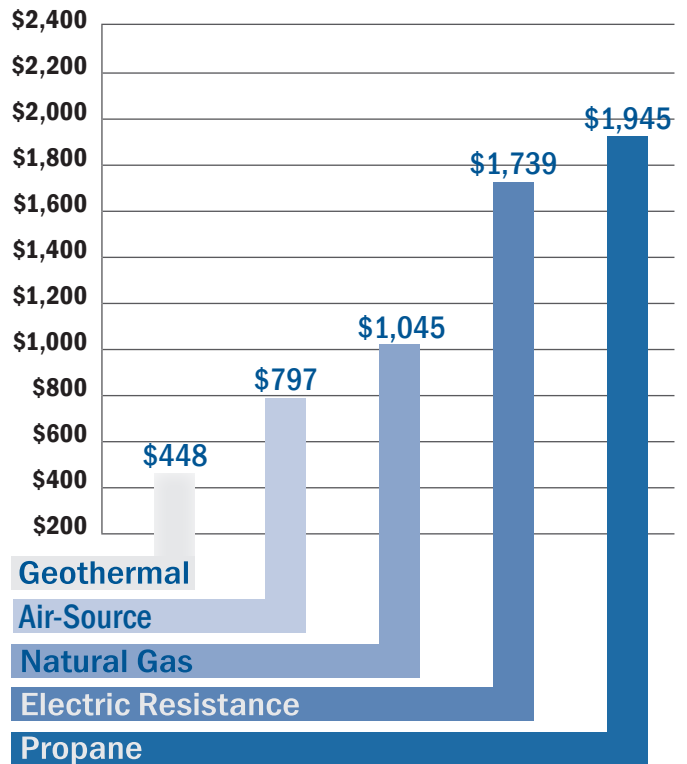

From October 1 to May 31, ECI REC offers a special Heat Plus rate that can save qualifying members up to 50% on winter heating bills. If you're making HVAC upgrades or building new, this rate helps earn you a faster return! The current rate is .0485 cents/kWh. Call 877-850-4343 or visit ecirec.coop to see if your home, office, business, or shop qualifies for these savings!

Did you know? Air-source heat pumps are eligible for the Heat Plus rate and a rebate from ECI REC! They can also help you save on your monthly bills. A heat pump moves heat rather than converting it from fuel, and it can heat and cool a building for 50% of the cost of a conventional propane furnace with central air conditioning.

To learn more about air-source heat pumps and available rebates, visit our website or call 877-850-4343.

2021 - 2022 Projected Heating Costs*

Cost per year based on heating a 2,000-square-foot residence in the Midwest with 4 occupants. Geothermal and air-source heat pump costs do not include resistive backup heat.

*U.S. Energy Information Administration

RECare: How Members Support Members in Need

Contributing to RECare is one easy way to help others! The program distributes funds to low-income energy consumers in Benton and Buchanan Counties via community action agencies. Donations help pay these members' heating bills or weatherization costs.

YES, I want to contribute to RECare.

- I will make a one-time contribution to RECare.
- I will contribute \$_____ per month to RECare. (I understand that this amount will be automatically added to my monthly electric bill.)
- My check is enclosed. (Make payable to ECI REC.)

Name: _____

Address: _____
