

# Apprentice Lineworker

East-Central Iowa Rural Electric Cooperative (ECI REC) is seeking qualified applicants for the position of Apprentice Lineworker to be located at our Operations Center in Vinton, Iowa. ECI REC is a member-owned electric distribution cooperative currently serving over 7,000 members throughout 11 counties in the East Central Iowa region.

## About This Position:

As an Apprentice Lineworker, you are responsible for managing a variety of tasks in order to distribute electricity to our members. A few of the key tasks include constructing, replacing, and maintaining electric distribution lines, structures, and equipment. This role would participate in the Iowa Association of Electric Cooperative's apprenticeship program.

## Education, Experience and Skills Required:

For this position, you must be a graduate of a Power Lineman Technical Course and have the working knowledge of basic electricity, including National Electric Safety Code and rural electric operating methods and procedures. You must also possess a Class A CDL with airbrake endorsement or have the ability to obtain this within the first 90 days of employment. Experience in the electric utility or similar industry is a plus.

## Perks:

The hours for this position will be Monday-Friday 7:00am-3:30pm. This position will be on a rotating on-call schedule and will be required to work overtime depending on the needs of the business. ECI REC also offers its employees a comprehensive benefits package which includes:

- Health Insurance
- Dental Insurance
- Vision Insurance
- Pension Plan
- 401(k)
- Short-term and Long-term Disability
- Life Insurance, Flexible Spending Accounts, Paid Time Off and much more

ECI REC is an equal opportunity employer. All applicants who are offered a position within ECI REC are required to pass a background check, pre-employment physical, and drug test prior to employment.
