Looking for more ways to keep your account info at your fingertips? Don't forget about budget billing!

ECI REC offers budget billing to make financial planning easier and help members anticipate monthly costs. We calculate your monthly payment based on your 12-month usage history. Accounts are periodically reviewed to ensure payments match actual usage, so you do not face a large debit or credit at the end of the year.

Note: Budget billing only applies for members who have an ECI REC usage history of less than 3,000 kWh/month.

AUGUST 11 IS NATIONAL SAFE DIGGING DAY!

Don't ruin a beautiful day by digging unsafely

If you're tackling outdoor DIY projects this summer, make sure you call 811 prior to digging so you don't hit an underground utility line.

Call 811 or visit Call811.com before digging.

WILL WE SEE YOU AT THE IOWA STATE FAIR?

Be sure to visit the Touchstone Energy® Cooperatives of Iowa booth in the air-conditioned 4-H Exhibits Building at the 2022 Iowa State Fair! The building is on the southwest corner of the fairgrounds. Electric cooperative staff from across the state will hand out plastic hard hats and suckers to the kids while supplies last. Kids can also try on some lineworker safety gear and take fun photos in our cooperative safety selfie station.

We look forward to connecting with our members at the Iowa State Fair this summer. Please stop by our booth and say hello!
