# You Have the Power to Save

## With the Co-op Connections® Card

Co-op Connections brings you great deals right where you live! From dining and clothing to car repairs and home improvements, your FREE Co-op Connections Card can save you money in your own neighborhood. Show your card at any participating business listed on the insert, and receive your discount. *It's that easy!*

This is just one more great advantage of receiving electric power from East-Central Iowa Rural Electric Cooperative (ECI REC), your locally owned and controlled cooperative. At ECI, we want to help members save money and encourage you to shop locally at the current participating local businesses. When you use your Co-op Connections Card, not only will you benefit from great deals and programs, you will be helping local businesses and keeping your dollars in your community. There are over 485,000 local and national business offerings available to card holders.

## How it works:

All ECI REC member-consumers automatically receive a Co-op Connections Card. New ECI members can expect to receive their cards within 30 days of confirmation of membership. If you do not have a Co-op Connections Card, call or email our office.

## Examples of local and national discounts (available in-store with card and/or on-line):

- 10% off tire rotation with oil change
- 10% off one night lodging
- 10% off of every \$50 purchase
- 25% off second full-meal entrée

## Looking for a deal on an oil change?

What about a discount for your next family meal? For discounts near you, go to [www.connections.coop](http://www.connections.coop) and enter your zip code. Also keep an eye out for the Co-op Connections window clings and register stickers at your local businesses.

## Healthy Savings

Members have access to FREE health savings! Use your Co-op Connections Card to take advantage of the following discounted health benefits:

- Prescriptions - 10% to 85% savings on prescription drugs.
- Dental Care - 20% to 40% savings on most dental services including orthodontics, periodontics, and endodontics.
