

Online Form Instructions

- For the purpose of ECI REC online forms, when the word “signature” appears, a typed, legal name is an acceptable substitute. As long as the complete, legal name appears in each blank for which a signature was requested, the form is accurate and binding (pending accurate completion of all other form sections). It is not necessary to print and sign the form if users plan on taking advantage of the “submit by email” option provided on the final page of each form.
- Some rebates may require the actual signature of mechanical engineers. ECI REC will follow-up with members applying for those rebates as necessary.
- Please do not fill out the “office only” sections of the form. Tab past them when filling out the form.
- Completed forms and required sales receipts or invoices may also be submitted to ECI REC via fax at (319) 443-4359. Please submit both the completed form and accompanying invoice(s) using the same method—fax or email—to ensure they arrive together at ECI REC.
- Fill-able PDF forms work in most all web browsers, **except** Firefox. Suggested web browsers to use when completing the forms are: Internet Explorer, Chrome, Safari, Android, etc.

Agreement for Purchase Power

LARGE POWER SERVICE

AGREEMENT made _____, 2_____, between East-Central Iowa Rural Electric Cooperative (hereinafter called the "Seller") and _____ (hereinafter called the "Consumer").

WITNESS:

The Seller shall sell and deliver to the Consumer, and the Consumer shall purchase and accept all of the electric power and energy which the Consumer may need at or near the location in Section _____, Township _____, Range _____, _____ County, Iowa, up to _____ KVA, upon following terms:

1. SERVICE CHARACTERISTICS

Service hereunder shall be alternating current, three phase, sixty hertz, 208y/120, 480y/277 or 240/120 volts. The Consumer shall not use the electric power and energy furnished hereunder as an auxiliary or supplement to any other source of power, and shall not sell electric power and energy purchased hereunder.

2. PAYMENT

- a. The Consumer shall pay the Seller for service hereunder at the rate and upon the terms and conditions set forth in Schedule LPS (Rate 003). Notwithstanding any provision of the Schedule and irrespective of the Consumer's requirements for or use of electric power and energy, the Consumer shall pay to the Seller not less than \$_____ per month for service or for having service available hereunder during the term hereof.
- b. Bills for service hereunder shall be paid at the office of the Seller, monthly within twenty (20) days after the bill is mailed to the Consumer. A late payment charge of one and one-half percent per month of the past due amount will be added to the amount of the net bill where payment is not made within twenty (20) days of the rendition of the bill. If the Consumer shall fail to make any such payment by the due date, the Seller may disconnect service upon giving twelve (12) days written notice to the Consumer of its intention to do so, provided, however, that such discontinuance of service shall not relieve the Consumer of any of its obligations under this Agreement.
- c. The Consumer agrees that if, at any time, the rate under which the Seller purchases electric energy at wholesale is modified, the Seller may make a corresponding modification in the rate for service hereunder. If the rate is increased thereby the Consumer shall then have the option of canceling this agreement and discontinuing service upon six months written notice to the Seller.
- d. The State of Iowa Sales Tax shall be added to the total bill as determined by an authorized form copy of, State of Iowa, Sales Tax Exemption Certificate. Any and all taxes, penalties and interest assessed the Seller, due to variation from the Sales Tax Exemption Certificate, shall be directly billed to the Consumer. Should any tax, federal, state or local, in addition to such taxes as may now exist be levied upon the electric energy sold hereunder, or upon the sales of such energy, such tax shall be added to the net bill as determined by the rate.
