# Join Fellow Members & Support RECare

Contributing to RECare—a program that distributes funds to low-income energy consumers in Benton and Buchanan Counties via community action agencies—is one easy way to help others. The donated funds help pay these members' heating bills or weatherization costs.

ECI REC would like to thank all the members who are giving to others in our communities. Even a small amount can help those less fortunate.

From July 2018 to June 2019, 61 members contributed to RECare through monthly contributions. Three members contributed via one-time donations. Members contributed \$6,585, an increase of \$558 from last period. Those donations assisted 13 members in need, with an average assistance of \$336 going to each family.

Help ECI REC reach our goal of exceeding that number of participants in 2019–2020! To sign up for RECare or make a one-time donation, complete and return the form below. It can also be found on [ecirec.coop](http://ecirec.coop) under Your Electric Bill, Member Programs.
