REMINDER: Heat Plus Rate Offers Winter Savings

ECI REC's Heat Plus rate will take effect October 1, 2020, and is available through May 31, 2021. Even with lower gas prices, our Heat Plus rate of .0485 cents/kWh remains a great value for members using primarily electric heating. Call 877-850-4343 or visit ecirec.coop to see if you qualify for the Heat Plus rate.

RECare: How Members Support Members in Need

Contributing to RECare is one easy way to help others! The program distributes funds to low-income energy consumers in Benton and Buchanan Counties via community action agencies. Donations help pay these members' heating bills or weatherization costs.

ECI REC would like to thank all the members who are giving to others in our communities. Even a small amount can help those less fortunate.

Help ECI REC grow the number of RECare participants in 2020-2021! To sign up for RECare or make a one-time donation, call 877-850-4343 or fill out and return the form on ecirec.coop under Account Services, Member Services, Member Programs.
